Version (operating system)

Serial Number

FAQ:

- ◆ *I lost my device or it was stolen, what can I do?* If you have insurance with loss, it will be \$35. Without insurance will be \$150.
- ◆ *I lost my cord, what can I do?* The cost to replace the cord is \$25 unless you can find a working replacement cord elsewhere.
- ◆ *My device is damaged but still works, what do I do?* Cracked screens and other minor damages that do not interfere with the function of the iPad require a \$25 repair fee.
- ◆ *I forgot my Apple ID password, how do I find it?* Talk to your parents first. If you still do not know it go to iCloud settings on iPad and select “Forgot Apple ID or Password” and follow steps.
